Student Guide to ReadSpeaker and HuskyCT:

What is ReadSpeaker?

- Text to speech software than can be used within HuskyCT
- Any module, quiz, exam, or document can be read aloud through ReadSpeaker

How do I use ReadSpeaker?

- A ReadSpeaker icon will appear in the bottom left corner of your HuskyCT screen
- Click this icon, and a tool bar will appear that can be dragged to your preferred location within the screen
- The first icon is a help feature that will explain how to utilize the ReadSpeaker software
- To begin text to speech, click the play button next to the “Listen”
