All Access Pass
Welcome to the Center for Students with Disabilities (CSD) at UConn!

Accessibility is the Key to Equal Opportunity!

While complying with the letter of the law, the CSD also embraces its spirit by providing accommodations and services to all students with permanent or temporary conditions to ensure that all UConn programs and activities are accessible.

Sample of Accommodations*:

- Academic Adjustments
- Accessible Van Service
- Alternate Media
- Assistive Listening Devices
- Testing Accommodations
- American Sign Language Interpreting Services / CART
- Laboratory Assistants
- Notetaking Assistance
- Priority Registration
- Reduced Courseload
- Residential Accommodations

*Speak with your assigned Disability Service Professional to discuss appropriate accommodations for you.
How Do I Request Accommodations?

What do we need from you?

1. Register online with CSD via MyAccess.
   • Visit the CSD website at www.csd.uconn.edu or http://myaccess.csd.uconn.edu/

2. Upload documentation regarding your condition(s) to MyAccess.
   • Visit the CSD website for documentation guidelines at www.csd.uconn.edu.

3. Schedule and attend a meeting with your Disability Service Professional (DSP).
   • You will receive an email from CSD notifying you of your DSP’s contact information to schedule an appointment once you register via MyAccess.

   All student information, including documentation is kept private in a secure database.

What do we provide you?

1. A Disability Service Professional (DSP).

2. An individualized, interactive process to determine appropriate accommodations.

3. Assistance in the coordination of accommodations.

4. Explanation of rights and responsibilities.
CSD can assist you with maximizing your potential while helping you develop and maintain independence.

Services & Programs:
- Beyond Access*
- CSDTech - Assistive & Learning Technologies
- Delta Alpha Pi Honor Society**
- HuskyGPS*
- Personal Assistant Referral
- REACHing Peers
- Referral to other UConn Resources & Services
- UCIS – ASL Interpreting Services

*Fee-based program       **By invitation
UConn Interpreting Services (UCIS)
• Facilitate communication access for Deaf and Hard of Hearing students, faculty, staff, and visitors
• Provide auxiliary aids and services include sign language interpreting, live captioning, closed captioning, and assistive technology

CSDTech
• Provide technology-based options to assist with note-taking, reading, writing and more
• Access learning technologies to enhance overall success and independence
Beyond Access

- Students work one-on-one with a Strategy Instructor to create a customized program for their learning style to develop a pathway to success
- Fee-based program that provides students with opportunities to work smarter, not harder in a competitive academic environment while also preparing for life beyond college
- Gives students tools to achieve personal and academic goals

Husky GPS (Getting Prepared for Success)

- Provides holistic preparation for entry into UConn with focus on academic success, knowledge of campus resources, health and wellness, and social involvement and skills
- Fee-based program that provides first year and transfer students an opportunity to learn what it takes to be a successful student at UConn
- Become familiar with the campus and participate in workshops and social activities through early move in
REACHing Peers Program (Resources in Education and Advocacy for Current Huskies) is a three-fold peer mentoring program that consists of:

- Opportunities for prospective students to connect with current UConn CSD students
- Mentor-mentee relationships with current UConn students registered with the CSD
- Linking current UConn students with a network of CSD alumni for career preparation

Delta Alpha Pi International Honor Society

- Alpha Rho chapter (advised by CSD) of an international organization that recognizes academic excellence among students with disabilities on college campuses
- Seeks to empower students to advocate for themselves and others
- Invitation is extended each spring to students registered with the CSD who have achieved a 3.10 GPA as an undergraduate or 3.30 GPA as a graduate student and have met the credit requirements
